Product Overview Guide

Products that Guide. Innovation that Leads.

We are a U.S. manufacturer of crowd control systems, signs, and safety products with nearly 50 years of experience.

Our products can be found all over the world in nearly every airport in North America and Europe, plus casinos, universities, museums, hospitals, theme parks, stadiums and major retail chains.

Since we manufacture our products in New York and have complete in-house capabilities, we can customize any of our standard items or develop a new product to meet your specific needs.

Safety & Utility

Retracta-Belt® Stanchions

**Often Imitated, but never duplicated...
the original Retracta-Belt®**

After more than 20 years of use and abuse, the original Retracta-Belt® can still be seen in airports, venues and stores worldwide. Following the basic principles of durability, style and value, the Retracta-Belt® product line has grown to offer countless combinations of models, finishes, belt colors and accessories. We include all of the industry leading features standard, so you can be sure the Retracta-Belt® is the best choice for safety, security and reliability for years to come.

Conventional Posts & Ropes

Choose only the best for that classic look and feel.

Our conventional post and ropes are made from the highest quality materials and manufacturing standards. We offer dozens of customizations. The distinct style and durability of the post shows throughout the entire construction – from the decorative solid brass top of your choice down to the nearly indestructible cast iron base. Select your choice of luxurious rope covering: 100% recycled leather, microfiber, velour, naugahyde or braided polypropylene. Each is customizable in a range of colors to add the finishing touch to your queue line. We can even print your logo or nearly any design onto your microfiber rope.
